Order thereon

The statement received with the above shews that in the solitary instance of the III Class Travellers Bungalow at Channapatna, there are 3 servants costing Rs 180 per annum, there being only one

servant in each of the remaining buildings in the District. The Dy Comr of Bangalore is requested to submit a statement shewing the number of halts made by, and fees collected from, the travelling public during the past 24 months in the Channapatna Bungalow and state why the services of two of the servants may not be done away with and only one on Rs 5 retained under the designation of Caretaker as has been now done in the District of Chittaldroog.

The Dy Comr is requested to quote the authority under which each of the marginally noted Bungalows were made III Class Travellers Bungalows

From Colonel C. Bowen
~~The~~ Chief Engineer of Mysore,
~~Bangalore.~~

MYSORE P. W. DEPARTMENT

CENTRAL OFFICE,

Bangalore, 14th ~~February~~ 1895.

To

The Chief Secretary
to the Dewan of Mysore.

SIR,

In reply to Government Proceedings No. 8199-200 L.F. 994 dated 23d November 1894 requesting to report when and under what authority, the Traveller's Bungalows at Kumbulgode, Anekal and Magadi Bangalore District, were constituted 3d class ones, as shown in the printed list published by the Public Works Department, and when the Bungalow at Channapatna ceased to be a 3d class institution :- I have the honor to inform you that the 3rd class Traveller's Bungalows at Anekal and Magadi were constructed in 1888/89.- or subsequent to the issue of Government Notifications No. 120 of 7th August 1877 and No. 163 of 11th June 1883; and they were accordingly entered in the Public

Works

Works List published in 1889. The date on which the Traveller's Bungalow at Kumalgode was constituted a 3rd class one cannot be traced from the records, but it is believed to have been so constituted before the Rendition. The Traveller's Bungalow at Channapatna is a 3d class one and was incorrectly shown in the Public Works List as 2nd class, on information supplied by the Executive Engineer, who reports that an error was made. This will now be rectified.

I have the honor to be
Sir
Your most obedient Servant
C. Bowen Colonel
Chief Engineer of Mysore.
